

Teaching Seniors the Benefits of Medical Marijuana October 4, 2011 10 AM

Robert Platshorn - Presenter - Director of Florida NORML, Founder of the Silver Tour, Author of Black Tuna Diaries. Featured in the hit film, Square Grouper Robert founded the largest chain of schools in Europe. **Once he returned** home he became the second largest distributor of Breyers Ice Cream. Robert smuggled marijuana from Colombia in the 1970's and spent 30 yrs in prison for a non-violent pot offense.

In regards to Robert Platshorn, the late, great Billy Mays said “. “Bobby Platshorn is a legendary pitchman and one of the all time greats”.

Dr Julie Holland - Video - Attending Psychiatrist, Bellevue Hospital New York, Assistant Professor of Psychiatry, NYU School of Medicine. Dr. Holland has appeared on; The Today Show, Good Morning America, Peter Jennings and Live with Paula Zahn. She will **present an introduction to medical marijuana** that is the most comprehensive consensus of physicians and researchers.

Karen Goldstein - University of Bridgeport - National Director of NORML. (National Organization to Reform Marijuana Laws) Karen is an **activist and parent of a medical marijuana patient.** **She will address medical marijuana for Epilepsy and vision.**

Dail Adelman - Director NORML - Former Drug Consultant on the *Presidents Special* Action Office of Drug Abuse Prevention. Dail is **a well know proponent of holistic healing.** She will share her personal story about the use of medical marijuana for seniors.

Eileen Konieczny - Oncology Certified Registered Nurse - With over 19 years of nursing experience, primarily in the field of oncology Eileen has taken care of countless **terminally ill patients.** Over the past three years, Eileen has been focused on learning about alternative therapies including medical marijuana to assist in **the alleviation of disease.**

Michael Minardi - Mr. Minardi received his Juris Doctorate degree in 2002 from Nova Southwestern University, Shepard Broad Law Center. He **graduated Summa Cum Laude.** Mr Minardi has dedicated his practice to defending the wrongfully accused insuring their rights are protected and voice is heard. Michael will explain what you can do to get **safe legal access** to medical marijuana.

Please stay and enjoy light refreshments and meet with the presenters.
